Net metering is available

The process of connecting a small (100 kW or less) wind turbine or solar power system to the electric utility grid is called interconnection. The Missouri law "Net-Metering and Easy Connection Act" specifies rules for interconnecting and providing credits for excess generation supplied to the grid. New-Mac Electric has an Interconnection Application/Net Metering Agreement based on this Act, which also addresses safety, power quality and insurance recommendations.

For more information regarding net metering on the New-Mac Electric system, contact our member services department at 451-1515 or 800-322-3849.

Offices closed for holidays

New-Mac's offices will be closed Dec. 24-26 for Christmas and Jan. 1 for New Year's Day.

*Merry
Christmas
& a
Happy
New Year!*

Energy Partners' Recipe of the Month:

GRAHAM CRACKER PRALINES

Submitted by New-Mac member: **Rosemarie Hoffman**

graham crackers
2 sticks butter

1½ c. brown sugar
1½ c. chopped pecans

Spray 10x15 jelly roll pan with cooking spray. Lay graham crackers in pan, filling completely. Using a heavy pan, bring butter and brown sugar to the boiling point. Then add pecans. Pour nut mixture over the crackers and spread to cover. Bake at 350° for 8-10 minutes. Watch carefully and do not overbake. Cut while warm and cool in pan.

Send your recipe, along with your name and account number, to: Recipes, c/o New-Mac Electric, P.O. Box 310, Neosho, MO 64850; or recipes@newmac.com. If your recipe is selected, New-Mac will apply a \$15 credit to your bill.
