

Energy Partners

New-Mac app is a helpful tool for all members.

Users can pay bills, check usage, report outages and more.

The New-Mac SmartHub app gives members an inside look at outage maps, changes in usage and the ability to pay their bill right from their phone.

Many New-Mac members are aware of the easy-to-use SmartHub app that allows for bill payment and a wealth of account information at their disposal. They can look at billing and payment histories, as well as detailed usage information. Members can examine their usage on a daily, weekly and/or monthly basis. They can compare bills from various billing periods. This usage information is displayed with colorful bar graphs, making it easy to distinguish trends, and as an additional resource, weather data is shown courtesy of the National Weather Service.

Besides all of the useful features that SmartHub has always provided, members can now report an outage through the app and view the outage map

right from their phones or tablets. Users have had the capability to sign up for text-message and email alerts for “bill available” or “payment received.” Members now have the option to sign up for “power outage” and “restoration” notifications through either text or phone calls.

The New-Mac SmartHub app has so many helpful tools. To get started, just visit newmac.com

Nominating committee	page 2
New-Mac U	page 3

Energy Partners is a monthly publication of New-Mac Electric for the purpose of informing members of the programs, services and happenings of and related to the cooperative.

Nominating committee to meet in August

New-Mac Electric Cooperative's annual meeting set for October 26

The 2024 nominating committee, in accordance with New-Mac's current bylaws, will meet at the New-Mac Electric Cooperative office on Highway 86, Wednesday, August 14, 2024, at 10 a.m.

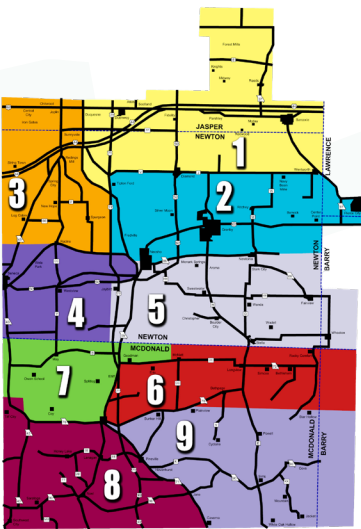

Their task, at this meeting, is to nominate individuals to serve on the New-Mac Board of Directors. This year, directors will be elected from Districts 4, 5 and 9 at the upcoming annual meeting on Saturday, October 26, 2024.

Article III, Section 3, of the New-Mac Electric bylaws sets the date for the nominating committee meeting not less than sixty (60) days before the date of the annual meeting. This section of the bylaws states:

Members of the nominating committee for each year shall appoint the nominating committee for the following year consisting of nine (9) members of the Cooperative, one person from each of the districts of the Cooperative. It shall be the duty of said committee to prepare and post in the principal office of the Cooperative at least sixty days before the next annual meeting a list of nominations for Directors. Said list to contain at least two candidates for each Director for each vacancy occurring. In the event that any member of said nominating committee so chosen shall die, cease to be a member of the Cooperative, or for any reason become un-able to serve on said committee, then the Committee shall appoint a person from the same district to take his/her place with full power to act as a member of said committee. No member of the Board of Directors nor candidate for the Board of Directors may serve on such committee. No member of the nominating committee may nominate himself/herself as a Director candidate.

Any fifteen or more members may make other nominations in writing over their signatures within fifteen days from the date of posting of the nominations of the nominating committee as above set out; and such nominations shall be delivered to the principal office of the Cooperative which shall cause it to be posted at the same place where the list of nominations made by the nominating committee is posted. The Cooperative shall mail with the notice of the meeting a statement of the number of Directors to be elected and showing separately the nominations made by the committee on nominations and nominations by petition, if any. The members may at any meeting at which a director or directors shall be removed, as herein above provided, elect a successor or successors thereto

without compliance with the foregoing provisions with respect to nominations.

DISTRICT INFORMATION

District No. 4 – Starting at the Oklahoma state line at the South line of Section 32, Township 24, Range 34, thence East along the Newton-McDonald County line to the Southeast corner of Section 36, Township 24, Range 33, thence North along section lines to the intersection with U.S. Highway #60, thence East along U.S. Highway #60 to the intersection of U.S. Highway #60 and U.S. Highway #71, thence North along U.S. Highway #71 to intersection with Missouri Highway #86, thence West along said Highway #86 to Racine, thence continuing due West along section lines to the Oklahoma state line, thence South along state line to place of beginning.

District No. 5 – Commencing on the Newton-McDonald County line at the Southeast corner of Section 36, Township 24, Range 33, thence North along section lines to the intersection of U.S. Highway #60, thence East along U.S. Highway #60, to its intersection with U.S. Highway #71, thence North along U.S. Highway #71 to its intersection with Missouri State Highway #86, thence East along said Highway #86 to Newtonia, thence continuing due East along section lines to the Newton-Barry County line, thence South along said county lines to the Newton-McDonald County line, thence West along the Newton-McDonald County line to the place of beginning.

Together with that portion of the Cooperative territory in Barry County, Missouri, lying due East of the above described district as extended.

SmartHub

Continued from page 1

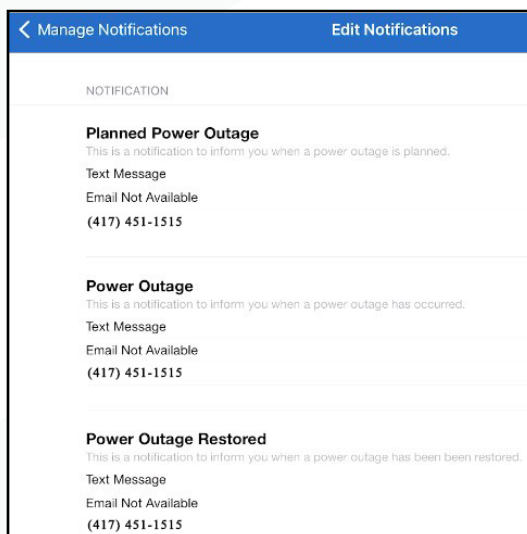

and click on the button with the computer icon labeled “Pay Online”.

After clicking on the link, you will be directed to a green “SmartHub” entry screen. Click on the new user link on the bottom of the page. To register, you will need your account number, last name or business name, last four digits of SSN or Federal Tax ID, and an email address. After entering that information, you will be emailed a temporary password from smarthub.coop, and finally, you are set to go.

If you are interested in accessing this information from your smartphone, there’s an app for that! Actually, there are two apps: one for Apple products and one for

Androids. Just visit the appropriate app store and search for “SmartHub” or click on the App Store or Google Play links from your “Account Overview” screen. It will be a free download. However, before you can use this app for your co-op account, you must first register through visiting newmac.com.

If you have any questions at all about how to get started with SmartHub or any of the awesome features that it has to offer, don’t hesitate to call us at 417-451-1515. Your New-Mac team would be happy to help!

Pictured counterclockwise from the right: Members can click the “Pay Online” button on the newmac.com homepage. The link will take them to a login and sign in page, pictured above. Members can also sign up for outage notifications through the app. (left)

New-Mac University is back this August

Our Member Services department is excited to kick off another round of our New-Mac University program. Your cooperative uses this classroom setting as an opportunity to get face-to-face with those we serve.

Classes will take place August 13 and 15, focusing on the topic: “What is a meter loop? & EPA Update”

New-Mac University is an ongoing free seminar series offered by the co-op. Each course of New-Mac University is independent of previous sessions. Participants may choose to attend whichever classes suit their interests and will not be behind if they missed other offerings.

“What is a meter loop? & EPA Update” will be an informative look into

what a meter loop is and why it’s important along with other equipment you might find on your meter pole.

We will also give a brief demonstration of how to safely hook up the typical house hold generator.

The class will then go over some of the EPA regulations that New-Mac and other utilities currently face and could face in the future.

See *New-Mac U*

New-Mac UNIVERSITY

Class Topics:

**What is a meter loop?
&
EPA Update**

6:30 p.m., Tuesday, August 13, at Neosho
6:30 p.m., Thursday, August 15, at Anderson

○ New-Mac U

Continued from page 3

It's our hope that this will be a perfect platform for members to ask questions in relation to any cooperative services and provide feedback.

These topics will be featured August 27 at New-Mac's Neosho headquarters. The same class will be offered at the co-op's Anderson office on August 29. Classes will begin at 6:30 p.m. at both locations.

While New-Mac University courses are always free, the co-op does ask that members RSVP so that proper accommodations can be made. The class should take no more than 90 minutes. Refreshments will be made available.

Members may RSVP in the following ways:

- By filling out the form (to the right) and sending it in with your bill payment
- By calling our office at 417-451-1515
- Or, by visiting newmac.com and completing a simple online registration form on the NMU webpage.
