MEMBER NOTICE

Allegiant

UTILITY SERVICES

New-Mac Electric Cooperative continues to partner with Allegiant Utility Services for ongoing system maintenance.

Members in Newton County may see servicemen replacing electric meters throughout the area. Crews will be driving white pickup trucks displaying both the New-Mac Electric and Allegiant Utility Services logos for easy identification. During the meter changeout, members may experience a momentary service interruption.

We're proud to continue investing in reliable service for the communities we serve.

BEHIND THE POWER

Meet Jim Broyles

This month, we're proud to recognize Jim Broyles for his 42 years of dedicated service to our members and communities.

Jim started with New-Mac Electric Cooperative in September 1983 and has had a remarkable career that reflects his hard work, commitment, and servant heart throughout the years.

We are grateful for Jim's years of service and the impact he has made across our cooperative family and local communities.

JULY 2026

STRONGER TOGETHER AFTER RECENT STORM

Recent severe weather caused widespread outages across New-Mac Electric Cooperative's service area, damaging poles, power lines, and equipment.

New-Mac crews worked around the clock June 13-15, to safely restore power as quickly as possible. We appreciate the patience, understanding, and support shown by our members throughout the restoration process.

Restoring power after a major storm follows a specific process. Crews first repair three-phase feeder lines that serve the largest number of members, followed by single-phase distribution lines, and finally individual service lines.

We are grateful for the assistance of our mutual aid partners from Ozark Electric Cooperative and White River Valley Electric Cooperative. Their support reflects the cooperative principle of "Cooperation Among Cooperatives" and helped restore service safely and efficiently.

Storms remind us that when communities work together, we are stronger.

Crews worked around the clock to replace damaged infrastructure and restore power safely.

BY THE NUMBERS

3466 members affected

16 broken poles

2 mutual aid co-ops assisted + contracted companies

43 hours to full restoration

NEWTON COUNTY Fair

JULY 8-11, 2026

MCDONALD COUNTY Fair

JULY 16-18, 2026

Thank you to our employees, mutual aid crews, and members for helping with restoration.

COMMUNITY Matters

We are proud to power more than homes - we power partnerships, opportunities and brighter futures across the communities we serve.

New-Mac Electric is proud to have sent two outstanding students to the 2026 Youth Tour in Washington, D.C. This year's delegates, **Cecilia Cummings** (Lighthouse Christian Academy) and **Lizbeth Marin** (Carthage High School), joined nearly 100 students from Missouri and more than 2,000 students from across the nation for an unforgettable week of learning and adventure.

From Capitol Hill and the White House to Smithsonian museums and a Potomac River cruise, Youth Tour offered students a unique opportunity to explore our nation's capital, meet elected officials, learn about electric cooperatives, and connect with peers from across the country. Most importantly, they create memories and friendships that last a lifetime.

BYLAW & NOMINATION INFORMATION

Article III, Section 3, of the New-Mac Electric Cooperative bylaws sets the date for the nominating committee meeting not less than sixty (60) days before the date of the annual meeting. The nominating committee shall consist of nine (9) members, one from each district, to prepare and post at least sixty (60) days before the annual meeting a list of nominations for Directors. The list shall contain at least two candidates for each Director for each vacancy.

Committee members who die, resign or are unable to serve will be replaced by an individual from the same district.

No member of the Board of Directors nor candidate for the Board may serve on the nominating committee.

Any fifteen (15) or more members may make other nominations in writing within fifteen (15) days from the date of posting.

The Cooperative will mail notice of the meeting with a statement of the number of Directors to be elected and the nominations.

MEMBER SPOTLIGHT

HONEYPOPS BAR & GRILL IN ANDERSON, MO

When summer arrives in Southwest Missouri, there's no better place to gather with friends and family than HoneyPop's Bar & Grill in Anderson. Located in the historic Shangri-La building along the Elk River, HoneyPop's has become a popular destination for great food, live entertainment, and making memories.

Whether you're stopping in for dinner, enjoying an evening of live music, or meeting friends for a relaxing night out, HoneyPop's offers something for everyone. Throughout the summer, guests can enjoy special events, outdoor activities, and a welcoming atmosphere that brings the community together.

Their menu features a variety of favorites, from hand-cut steaks and seafood to burgers, appetizers, and signature dishes.

By restoring a local landmark and creating a vibrant gathering place, the HoneyPop's team has built more than just a restaurant. They've created a destination where neighbors connect, families celebrate, and visitors experience the best of our area. If you're looking for a place to enjoy the summer season, HoneyPop's Bar & Grill is well worth the visit.
