New-Mac Electric Cooperative

Your Touchstone Energy® Partner 

Celebrate 86 years!

Your 2025 annual meeting will be October 25 at
Crowder College

Come join us at Crowder College on October 25, 2025, and celebrate New-Mac Electric Cooperative's 86th Annual Meeting. The 'Wheel of Good Fortune' will be spinning, allowing attendees to win a cash prize or maybe an electric credit.

There will be activities for kids along with food and fun for everyone. We always look forward to the last Saturday in October and spending time with our membership. Most importantly, members get to vote for their

candidates to serve as directors on New-Mac Electric's Board. Please accept my personal invitation and mark your calendars now so we can spend some time together in October.

New-Mac Electric Cooperative

Your Touchstone Energy® Partner 

Energy Partners is a monthly publication of New-Mac Electric for the purpose of informing members of the programs, services and happenings of and related to the cooperative.

Back to school means back to teaching safety

School is back in session, and you can count on New-Mac Electric to do our part to educate kids about being safe around electricity.

Each school year, New-Mac informs the principals of the 20 elementary schools inside the co-op's service area about our safety presentation. Then, once we're invited, we visit the schools and teach kids the importance of respecting electricity with our *Power Town* demonstration.

Power Town is a scaled-down model of an electrical system, complete with poles, transformers, buildings, a bulldozer and critters. The stars of the show are two characters fashioned out of neon light bulbs, known as *Neon Leon* and *Lightning Liz*.

Students are educated about numerous situations where they need to be careful to avoid encounters with electricity, and lessons are learned through the mis-adventures of Leon and Liz.

Although our program is designed for third and fourth graders, it can be customized for any age group. If you have school-aged kids in your family, ask them if they've seen New-Mac's safety program. If not, call their school and encourage them to invite New-Mac. We'd love to come and share our message about electrical safety.

Each year, we teach hundreds of kids, but it's not just at schools. From 4-H clubs to scout troops, New-Mac is willing to present to any civic group that calls.

If you are interested in scheduling New-Mac for a safety presentation, call Tamara in our Member Services Department at **451-1515** or **800-322-3849**.

Remember, we at New-Mac put *safety first*, so if we can be of assistance, don't hesitate to give us a call.

Students learn from the mis-adventures of Lightning Liz and Neon Leon, pictured above. New-Mac is always working hard to ensure kids know how to be safe around electricity.

Unclaimed patronage available for former members of New-Mac Electric

Names listed are former members of New-Mac Electric who have unclaimed past patronage with the Cooperative. You must contact the New-Mac office at 417-451-1515 within 60 days in order to claim your property. Properties listed fall within a defined monetary range. For an extensive listing of all unclaimed patronage, visit our website at newmac.com. More names will be published in upcoming issues of this newsletter.
